Dear Parents,

We are required by Children and Families to provide parents with a written discipline policy. Please sign this from and return it to our office.

Our program will ensure that age-appropriate constructive, disciplinary practice are used for your child. This care will allow the child time to look over his or her behavior. We will encourage children to choose alternatives to improve Behavior. To ensure a safe and successful program, discipline is a must. We welcome the idea of parents, so feel free to share them with us.

The following steps will be used for behavior modification:

- 1<sup>st</sup>- Children will be corrected and asked to change their behavior.
